Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The College Governing Body in consultation with IQAC and Principal prepares a budget allocating resources to all crucial sections of the institute such as physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms. Accordingly, equipment and maintenance of the same is undertaken on a priority basis. The College has a proud tradition of achievement in Sports and hence due attention is given to maintain and enhancing the sports and gymnasium facilities. The library is updated by asking for the requirements of respective departments. The laboratories are similarly updated according to the needs of the syllabus. Recently, two virtual classrooms were added to provide a holistic teaching-learning ambience for students. The college has also arranged for access to a host of ebooks and journals through INFLIBNET subscription. The college has also been established as a NPTEL local chapter as well as runs IIT Bombay Spoken Tutorial. Thus, all major areas are taken care of through a decentralised and democratic process.
